WELCOME TO THE GLOBAL PODIATRY SUMMIT 2026

Global
Podiatry
Summit
2026

Dear Colleagues,

Like the master craftsman who carefully selects each brick, we must thoughtfully choose our priorities, innovations, and partnerships to construct a podiatric profession that will stand strong for generations to come.

It is with great pride and anticipation that I welcome you to the GPS – Global Podiatry Summit 2026, to be held in Copenhagen, Denmark.

As the International Federation of Podiatrists, we extend our deepest gratitude for your unwavering commitment as the voice and advocate of podiatry worldwide. Your stewardship continues to elevate our profession across borders and cultures, ensuring that excellence in foot and ankle care remains accessible to all.

Our theme, “Brick by brick – building podiatry for the future,” reflects our collective dedication to methodically strengthening the foundation of our profession while constructing innovative pathways forward. In Copenhagen, we will gather to share knowledge, exchange best practices, and forge the collaborations necessary to advance podiatric medicine in an ever-evolving healthcare landscape.

The summit represents a crucial opportunity to address the challenges and opportunities facing our profession globally. Together, we will explore cutting-edge research, technological advancements, and clinical innovations that will shape the next chapter of podiatric care.

Let us never forget the profound impact of our work: From the daily mobility of individuals to the economic productivity of nations, the health of humanity's foundation—our feet—remains our sacred responsibility. I invite you to mark your calendars, prepare your contributions, and join us in Copenhagen as we build the future of podiatry, one brick at a time.

Together we keep the world on its feet.

With warm regards and anticipation of our collaboration,

Yours

Daniel Aharon Weisz

President

International Federation of Podiatrists

Daniel A. Weisz
President - ISR

"Join us in Copenhagen for GPS 2026, where Nordic innovation meets global podiatry excellence. As FIP President, I invite you to experience why this sustainable city of healthcare pioneers is the perfect backdrop to build our profession's future, brick by brick. This reminds us of our noble purpose. Copenhagen's blend of cutting-edge medical research and human-centred wellbeing reflects our vision for podiatry: collaborative, forward-thinking, and firmly grounded in improving lives worldwide."

"Copenhagen is well known for its active cycling culture so where better for FIP to bring the global podiatric community who keep the world on its feet! GPS 2026 will be a unique opportunity to gather in a city that lives and breathes movement, to share ideas, and to connect with colleagues committed to shaping the next era of podiatry. I'm excited to see our global community come together in such a vibrant, forward-thinking environment"

Pauline Wilson
President Elect - IE

Lee C. Rogers
Vice President - USA

"While podiatry varies from country to country, our mission is universal: relieve pain, restore function, and improve lives. GPS 2026 is where those global voices come together to push the science forward. I'm excited to join colleagues from across continents in a summit that advances care, fosters collaboration, and ultimately changes how we serve our patients. Together, we can set new standards that reflect the future of our profession."

"GPS 2026 is an exciting chance to bring podiatry and physiotherapy closer together. I'm especially pleased to see focused sessions on biomechanics – an area close to my heart and practice. This summit will be a space for learning, sharing, and moving our field forward together. Copenhagen is not just beautiful – it's built on smart healthcare, innovation, and accessibility. It's the perfect place to host a global summit with a truly interdisciplinary spirit. I can't wait to welcome you there!"

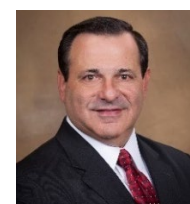

M. Joshua Frána
Treasurer - CZE

Leo S. Berling
Secretary General
- DK

"I am thrilled to welcome podiatrists from all over the world to Copenhagen – my lovely city – in April 2026. The trees will be blooming at this time of year, and I hope that the optimistic atmosphere will inspire us while we exchange experiences and learn from the best around the world. I can't wait to see you in Copenhagen."

"Having been part of this journey for over a decade, it's inspiring to see how GPS continues to grow into a true global platform for podiatry. Come to Copenhagen, with your colleagues from around the world, share your knowledge, and help build podiatry for the future."

Matthew Garoufalis
Past President - USA

TARGET AUDIENCE

The Global Podiatry Summit 2026 is tailored to an international community of professionals dedicated to the care, science, and innovation of foot and ankle health.

We expect **700+ participants** from **30+ countries** based on the attendance of our previous conferences. While our attendees come from all over the world, the location in Copenhagen and the FIP board constellation are expected to increase participants from Scandinavia, the Netherlands, France, Belgium, Spain, the United Kingdom, and the United States.

Their specialities include:

- Podiatrists
- Podiatric surgeons and physicians
- Diabetic foot care and limb preservation specialists
- Researchers, educators, and clinical innovators
- Biomechanics and rehabilitation professionals

Whether working in primary care settings, specialist foot clinics, surgical units, or academic institutions, attendees share a common mission: to advance podiatric health and improve patient outcomes worldwide.

The programme at GPS 2026 will take place over three full days, featuring a dynamic mix of plenary sessions, breakout symposia, practical workshops, and industry symposia. Together, these provide scientific, forward-looking content that reflects podiatric practices worldwide.

The core focus areas include preventative podiatry, a cornerstone of modern care; medical podiatry, covering surgical interventions and advanced therapeutic approaches; innovation and technology, with a focus on emerging tools and digital solutions; and practical clinical training delivered through hands-on workshops and demonstrations.

Highlighted Programme Topics

- Biomechanics and Sports
- Diabetes Care
- Collaboration with Industry
- Paediatric Podiatry
- Future of Podiatry
- Health Inequalities
- Speed-Meeting with Exhibitors

Accreditation Statement

GPS 2026 will provide continuing medical education (CME) to participants with a minimum of 21 accreditation points. More information will follow.

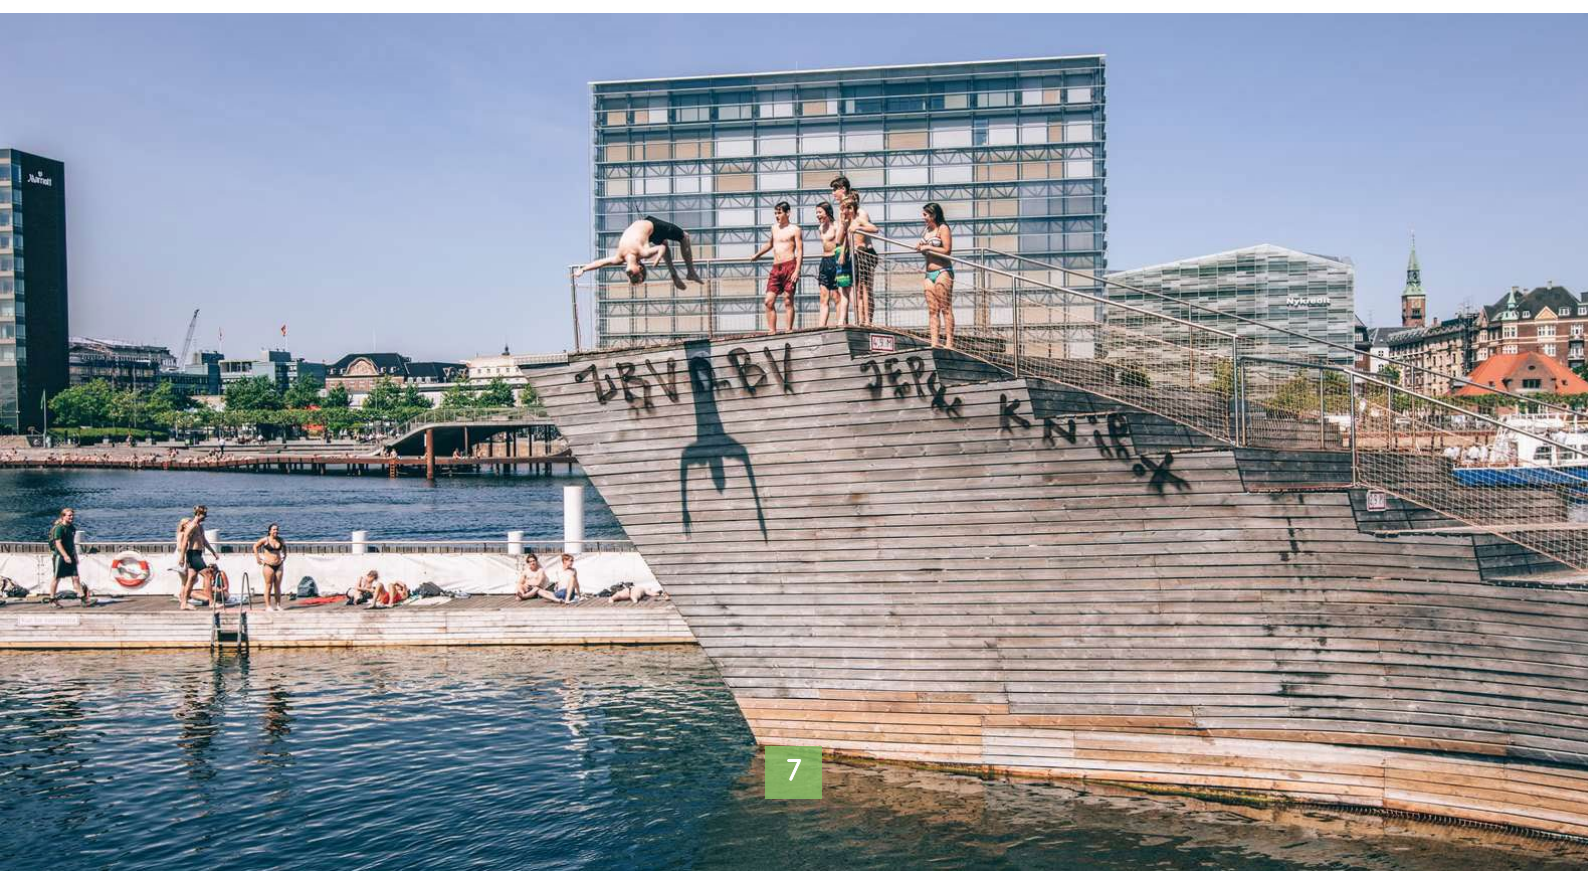

The Global Podiatry Summit 2026 is the premier international meeting place for professionals within foot and ankle care. Designed to reflect the diverse realities of podiatric practice around the world, this conference brings together specialists within podiatric medicine, surgery, and diabetic foot care.

Benefits of Joining as Sponsor or Exhibitor

- ✓ Connect with 700+ clinicians, scientists, and medical professionals from around the world
- ✓ Demonstrate innovations directly to engaged participants
- ✓ Generate leads through networking in the exhibit hall or at your industry symposia
- ✓ Target highly influential decision-makers and key opinion leaders
- ✓ Access new markets across several continents
- ✓ Position your company at the forefront of the evolving landscape of podiatry

LEGO MOSAIC EVENT SPONSOR AVAILABLE: 1

EUR 10.000
USD 11.000

Become an exclusive sponsor of the official GPS 2026 LEGO networking event, where participants will come together and build a large foot mosaic – brick by brick – which will feature **your company logo**.

Each person will be handed a LEGO brick with a sticker to be placed in a designated spot, eventually forming the mosaic. This will be a true attention-getter throughout the summit.

Payment Terms

Full payment is due within 14 days of signing the agreement. To ensure participation and inclusion in printed materials, payment must be received no later than 12 March 2026.

Cancellation Terms

The agreement is binding upon order confirmation. For cancellations made before 13 October 2025, 25% of the total fee is non-refundable, and 75% will be refunded. Cancellations from 13 October 2025 and onward are non-refundable, and the full fee remains payable. This applies regardless of withdrawal or non-participation.

Cancellation by Organiser

Should any force majeure event prevent or unreasonably delay at least 25% of expected GPS 2026 attendees from participating at the event, making it thereby inadvisable, illegal, impossible, or commercially impractical to hold GPS 2026 or to fully perform the terms of the agreement, the agreement may be terminated without penalty and with performance fully excused for any or more of these reasons by written notice from the organiser to the company. We will endeavour to refund as much of the received fees as possible, however the congress organizers reserve the right to deduct the already incurred costs of the congress before such refund. The remaining funds will be allocated proportionately among the sponsors and exhibitors.

ABOUT THE VENUE

Tivoli Hotel & Congress Center

www.tivolihotel.com/conferences-meetings-events

A HOTEL WITH DELUXE CONFERENCE FACILITIES AND DENMARK'S MOST BEAUTIFUL AND UNIQUE CONGRESS HALL

Tivoli Hotel & Congress Center has offered facilities and professional expertise for numerous organizers since 2010 and of course we bring that knowledge and experience to the table when we organize your event. At our hotel, you can arrange everything from small meetings and big conferences to business parties and receptions with cake stands and sparkling drinks.

Tivoli Congress Center creates an atmosphere that inspires people to mingle and network, raising the professional and interdisciplinary level. The internationally acknowledged architect Kim Utzon has made sure that the formal settings interact with the informal settings and create a healthy indoor climate.

Congress Centre and Hotel under One Roof

The impressive Tivoli Congress Hall can accommodate up to 2,400 people, offers 48 conference rooms and auditoriums of varying sizes. The large foyer, which is the first thing you meet when you step inside, serves as an exhibition and catering area for the congress. The entire venue is easy to access whether you come with a small suitcase or large heavy exhibition stands or equipment.

Tivoli Hotel & Congress Center has 679 guestrooms and suites, all under one roof. There is therefore no risk of getting your feet wet when going to and from Congress! During the congress, agreements will be made with other hotels in the area in different price ranges to suit everyone's needs.
