

## **Matthew Regulski**

I am on the scientific committee for the Federation of international podiatry, fellow faculty in Podiatric Medicine at the Royal College of physicians and surgeons in Glasgow Scotland, I am the medical director of the wound Institute of OCEAN County New Jersey and Toms River, New Jersey and I am senior partner at OCEAN County foot and ankle surgical Associates in Toms River New Jersey. I've been in practice for 22 years. I treat thousands of chronic wounds per year. Practice is more confined to Wound Healing and limb salvage Surgery I have over 300 published articles in peer review journals on Wound Healing. I've been principal investigator in 21 RCTs for Wound Healing diabetic foot ulcers and Venus leg ulcer.
