

Magnus T. Jensen, CEO

- Steno Diabetes Center Copenhagen

Magnus T. Jensen is Chief Executive Officer of Steno Diabetes Center Copenhagen. He holds a PhD in diabetes and cardiovascular disease and a Doctor of Medical Science (DMSc) in cardiovascular epidemiology from the University of Copenhagen. In 2018, he completed with distinction an MSc in Health Economics, Policy and Management from the London School of Economics and Political Science.

Dr. Jensen is a trained cardiologist and previously served as Head of the Department of Cardiology at Copenhagen University Hospital Amager-Hvidovre. He is currently a Professor at the University of Copenhagen and an Honorary Senior Lecturer at Queen Mary University of London.

As a leader, Dr. Jensen focuses on driving innovation in care delivery, with a strong emphasis on digital health and value-based care models. His work bridges clinical practice, research, and health system reform.
