

Gabriel Gijón

Gabriel Gijón is a Full Professor at the Faculty of Health Sciences at the University of Málaga (Spain). He holds a PhD from the University of Málaga, a Master's degree from the University of Granada, and a Diploma in Podiatry from the University of Seville. He is Director of the Chair in Children's Foot Health (UCAM–Pablosky) at the Catholic University of San Antonio of Murcia since 2024 and President of the European Network for Podiatry in Higher Education (ENPODHE) since 2025. His research focuses on gait and running biomechanics, pediatric and sports footwear, musculoskeletal health, and technology-enhanced learning. He has authored 136 scientific publications in peer-reviewed journals (h-index 22, Web of Science; >1400 citations) and participates in national and European research and education innovation projects related to foot health, while promoting international collaboration with universities across Europe.
